ABOUT ONLINE SAFETY SUPPLIES

Online Safety Supplies has supplied specialist PPE, workwear and embroidery for over 30 years. Our wide range meets rigorous UK and European Standards and covers fire-resistant clothing, anti-static protection, and arc-flash workwear.

WHY CHOOSE US?

- We deliver specialist flame-retardant and arc flash workwear
- We partner with leading manufacturers in durability and compliance
- We provide end-to-end support, from garment selection to personalised embroidery
- Our workwear supply can be scaled to any-sized team
- We support multiple industries, including hospitality, rail, construction, and healthcare
- We offer tailored women's fit workwear
- We provide hi-vis, weatherproof and waterproof clothing

MATTHEW PICKBOURN
SAFETY SUPPLIES MANAGER

Matthew has managed Online Safety Supplies for the past 10 years, supplying specialist workwear and PPE to businesses across the Midlands, while also supporting the next generation of trades through ongoing collaborations with Derby College.

Matthew provides extensive expertise in workwear safety and compliance, from selecting flame-retardant clothing and arc flash garments to choosing the right first aid equipment for you and your team.
